### **Articles of Association of the Highlands and Islands Students' Association BACKGROUND**

The Highlands and Islands Students' Association (the "Association") is a Students' Union within the meaning of the Education Act 1994 (formed in accordance with Article 19.1 of the University's Articles of Association) and is the eligible body to nominate students to the Court of the University of the Highlands and Islands (UHI).

The Highlands and Islands Students' Association will represent the interests of all students (FE and HE) at the University of the Highlands and Islands and its academic partners at a regional level. The Association will also represent the local interests of all students at those academic partners whose representative structures are part of the Association as outlined in the Schedules to these Articles.

- B. The Association will seek at all times to:
- (i) ensure that the diversity of its Student Membership is recognised and that equal access is available to all Student Members of whatever origin or orientation;
  - (ii) pursue its aims and objectives independent of any political party or religious group; and
  - (iii) pursue equal opportunities by taking positive action within the law to facilitate participation of groups discriminated against by society.
- C. These Articles have been structured to give the Board of Trustees reasonable authority to manage the affairs of the Association in a professional manner. The Student Members enjoy the right, which must be exercised in accordance with charity law, to elect a proportion of the Trustees and to dismiss all of the Trustees. The Board of Trustees will give the utmost consideration to the views of Student Members.
- D. Under the Education Act 1994, the University of the Highlands and Islands and its academic partners has a statutory duty to ensure that the Association operates in a fair and democratic manner and is held to proper account for its finances. The Association therefore works alongside the University of the Highlands and Islands and its academic partners in ensuring that the affairs of the Association are properly conducted and that the educational and welfare needs of the Association's Student Members are met.
